

# The Grout Gazette

January 27th,  
2012

## FINAL EDITION:

Today was my last day with your students. Thank you for all the food, gifts and kind words. Words can't describe how much I have enjoyed my time in 6th grade at Whately Elementary School. I have gotten to know all of your students as individuals and they are all very special in their own way. I am proud to be able to call them my first class and I will carry the memories of this class with me forever. I hope your children enjoyed their time with me and I know they will have a great time with Mrs. Gay as they get ready for the Spaghetti Supper and the big trip to New York.

Thanks for the memories  
- Mr. Grout
