

Math

We have moved on from measurement in math and are now working on multiples and factors of numbers preparing to work with fractions. Next week we will begin looking at fractions, reducing fractions and adding and subtracting fractions.

Writing

We are currently writing scripts about different characters cooperating to solve a problem. We are going to perform these scripts at an assembly on January 18th. We will also be singing some songs about cooperation. Feel free to attend if you wish.

Social Studies

We started learning about the people and places in Africa and the way they adapt to harsh environments. We are currently learning about the Sahara Desert.

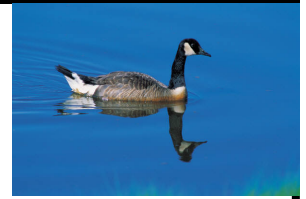

Contact Me!!

Mr. Grout:
Cell: 413-687-7807
Call the School,
E-mail: groutd@wes.whately.ma.us,

Thank you Xena for sharing your puppy with us!!!

Science

We have finished our unit on Newton's Laws. We had a lot of fun seeing Newton's laws in action, especially the day we went to the gym to experience Newton's third law.
